## For delegates who are support workers

Please help us in our efforts to keep people safe at the Conference. You are the best people to decide the ratio of support workers for the number of people with learning disabilities who attend from your group. We are depending on you to ensure that people with learning disabilities have adequate support for their individual needs.

## Are you a First Aider?

If so, we need your help. Can you help us by being a designated person to help with First Aid if it is needed at the Conference?

Yes

No

**NB. In the interests of protecting everyone's safety, bookings from people sharing rooms will only be accepted through People First / Self Advocacy groups.**
